

# Gummi Fit plus

## Rubber Blanket Cleaner and Rejuvenator

---

### Product Usage

Cleaner and rejuvenator for offset printing blankets with extra fast evaporation

---

### Features and Benefits

- Very high solvency power - removes stubborn residues and glaze
- Contains rejuvenating additives for rubber material
- gives the blanket a smooth surface
- Very fast evaporation rate without greasy residues

---

### Packaging

10x 1 L bottles, 4x 5 L cans, 10 L cans, 1.000 L IBC

---

### Directions

Apply Gummi Fit plus evenly onto the blanket, let penetrate a few seconds and wipe away dissolved residues

---

### Technical Specifications

- Flash point > - 19° C
- Colour: colourless transparent
- Odour: solvent-like
- Water-miscible: partially
- Evaporation: very fast
- Density: 0,780 g cm<sup>-3</sup>
- Labelling: GHS02, GHS07

---

### Storage and Shelf Life

Store in a cool and dry place - follow the storage restriction for highly flammable products

Expire time: 12 months
