

Rollo Vital GEL Plus

strong Ink Roller Rejuvenator - also for
UV rollers

Product Usage

Ink Roller Cleaner and Rejuvenator

Features and Benefits

- very high solvency power - also recommended for UV inks
- Dissolves and removes dried ink, glaze and water soluble residues (paper, dust, etc.) thoroughly and quick
- cleans deeply but gentle with highly efficient solvents
- contains rubber rejuvenators that give back to the roller its former smooth surface

Packaging

8 x 700 ml Cans

Directions

Wash down inking unit, put blade in off position, apply Rollo-Vital GEL Plus onto the rollers and let press run for ca. 5 minutes until residues are dissolved, wash down again with a strong wash. Use 1-2 times in the week or for quick colour change dark to light
