

UV Wash 80

UV Blanket and Roller Wash

Product Usage

UV Blanket and Roller Wash for Automatic Blanket Cleaning Systems and for manual use. Recommended for EPDM rollers and blankets.

Features and Benefits

- high solvency power for a fast cleaning process
- medium fast evaporation - without greasy residues
- flash point above 80°C
- very low rubber swelling effect – gentle to UV-ink rollers and UV-blankets
- water miscible – removes ink and paper dust
- low and mild odour
- only for UV Rollers and UV Blankets (EPDM)

Packaging

10/20/30 liter cans, 200 liter drums, 1.000 liter IBC

Directions

Connect UV Wash 80 with the Automatic Cleaning System or use manually.
Recommended for daily use.

If used in Automatic Cleaning System first spray UV Wash 80 (not water) to achieve good cleaning results
